nADMISSION POLICY

The Cougar Cubs Child Development Center has been established in order to provide quality care to the children of our community. It is licensed by the State of California and is partially funded and operated by Baldy View Regional Occupational Program and the Chaffey Joint Union High School District.

We welcome children between the ages of 2 and 5 years. All children must be toilet trained. Every child is special to us, therefore enrollment is open to children of any race, color, nationality, and ethnic origin or religion. Children who are physically or mentally challenged are accepted provided that the center is able to meet the individual needs of the child.
