

Baldy View ROP

Spring 2010 Adult Certified Nurse Assistant Classes

(2 Classes Available)

Certified Nurse Assistant Class

This course is combined with classroom and clinical training and teaches skills necessary for patient care in skilled nursing long-term care facilities. It prepares students to take the exam for the State Certified Nurse Assistant License.

Requirements:

- Must speak, read, and write English.
- Must show proof of a negative tuberculosis immunization or chest x-ray by first day of class.
- Must show proof of physical exam by first day of class.
- Must have valid social security card.
- All students will be fingerprinted on the first day of class in your classroom. You are required to bring your social security card and a picture I.D. Failure to do so may jeopardize your enrollment in the class.

Cost: \$1,650.00 *(Due to changes to the State Budget this fee is subject to change at any time.)*

We accept Visa, MasterCard, Debit card, cash or money order. Payment must be made at time of registration. (NO REFUNDS)

Additional Fees:

\$90.00 State Board Exam

\$35.00 Drug Test (If requested by facility at time of clinical. Paid directly to the clinic.)
