

National Registry EMT Testing

It appears that the Baldy View ROP EMT students have done it again!

Recently, 16 Baldy View ROP EMT students took the National Registry Test - 15 of the 16 passed!

Baldy View ROP's EMT program has a pass ratio of 94%, compared with the National average of 60%.

Once again, our students are proving that Baldy View ROP is the leader and premier provider of career-technical education in the state.
