WHAT IS ROP?

The Baldy View Regional Occupational Program is a cooperative vocational education effort between the Chaffey Joint Union High School District, ChinoValley Unified School District, Claremont Unified School District, and Upland Unified School District. ROP's purpose is to provide a wide variety of career preparation at the entry and technical levels to meet the needs of high school students and adults.

***Prepare for YOUR future NOW
by enrolling in ROP TODAY!***

ENROLLMENT INFORMATION

High school students should contact the Career Technician at their high school.

Adults should call Baldy View R.O.P. office for specific enrollment dates and available classes.

(909) 624-0063

baldyviewrop.com

Enrollment priority:

- ❖ High School Students: seniors, juniors, sophomores, 16 yrs. of age and older.
- ❖ Adults living within our geographical service area.
- ❖ Adults living outside our geographical service area.

Baldy View ROP is an equal opportunity employer and asserts that it does not discriminate on the basis of race, color, creed, national origin, ancestry, religion, sex, age, or handicap in its employment or enrollment in job training programs

AUTO QUICK SERVICE TECHNICIAN

A career preparation program designed to provide related instruction and practical experience.

WHAT DOES THE PROGRAM PREPARE ME TO DO

This course provides entry-level training in automotive service, repair, diagnosis, and maintenance. Students use hand tools, specialized tools, and diagnostic equipment. Successful students complete the program with an in-demand job skill or a useful and valuable foundation for further study or training.

Quick-service technicians do not perform heavy overhaul work like rebuilding engines or transmissions. These technicians are more likely to be involved in service maintenance and repair. Quick-service is a speciality requiring many of the same skills as other mechanics (skill with tools, diagnostic equipment and diagnosis) but applying them in a different way. Quick-service is usually less physically demanding and is in many ways the best general training for entry-level mechanics.

Quick-service technicians are qualified for a number and variety of interesting, in-demand, reasonably well paying jobs.

EMPLOYMENT AND TRAINING

Certification by ASE is widely recognized as a standard of achievement for automotive mechanics. Mechanics are certified in one or more of eight different service areas, such as electrical systems, engine repair, brake systems, suspension and steering, heating and air conditioning. *Master automotive mechanics* are certified in all eight areas. For certification in each area, mechanics must have at least 2 years of experience and pass a written examination. Completion of an automotive mechanic program in high school, vocational school, or community college may be substituted for 1 year experience.

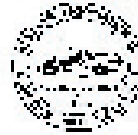

ROP TEACHERS

ROP teachers know the job market, have business and industry experience within the field they teach and are credentialed. **LEARN FROM THE BEST WITH ROP TEACHERS.**

STUDENT OUTCOMES

Upon successful completion of an ROP course, each student will:

- ❖ Demonstrate occupational specific, communication and critical thinking skills
- ❖ Demonstrate responsible work ethics
- ❖ Demonstrate career/employment literacy
- ❖ Demonstrate effective use of technology

THE JOB

The majority of the 736,000 automobile mechanics work for retail and wholesale automotive dealers, independent automotive repair shops, and gasoline service stations. Others are employed at automotive service facilities at department, automotive, and home supply stores, or maintain the fleets of taxicabs and automobile leasing companies. Motor vehicle manufacturers employ mechanics to test, adjust, and repair cars at the end of assembly lines. Over 20% of automotive mechanics are self-employed.

SPECIAL CONSIDERATIONS

- ❖ Minimum age - 16 years old or 11th grade
- ❖ Interest in the automotive field
- ❖ Ability to work independently
- ❖ Ability to understand and carry out instructions
- ❖ Ability to reason and work through a problem
- ❖ Ability to carry out sequences of activities
- ❖ Attention to detail and accuracy
- ❖ Ability to read and write in English and recall information
- ❖ Good manual dexterity and motor coordination
- ❖ Dress requirement: closed shoes, no jewelry, conform to dress standards and conduct regulations of the class.

COURSE LENGTH

Two semester course

ROP CERTIFICATE OF TRAINING

An ROP certificate of completion, including competencies, is awarded to students who complete the course.

HIGH SCHOOL CREDITS

Upon successful completion of the class, credits earned in ROP are forwarded to each student's high school. These credits may be applied toward fulfillment of the requirements for a high school diploma.
